

This home I love so well
 Where all the Saints shall dwell,
 A home beyond the sky
 We'll live and never die
 But Christ will lead us on
 Up to that blessed home in peace
 We'll rest at home

Some day
 Good bye to friends below,
 We are called and we must go,
 To all our home above,
 To meet with those we love.
 We'll walk the narrow way,
 Until the perfect day,
 Where peace will range with us,
 Always
