TYLER COUNTY, TEXAS GRAVESTONE INSCRIPTIONS

The following list contains the names of the cemeteries which comprise the basis for this book. Included are all Tyler County cemeteries known to us as well as several located in adjacent counties, which were incorporated because of the close ties many Tyler County families have with those buried there.

Deep appreciation is expressed to those individuals listed below for their considerable assistance in locating cemeteries, especially some of the older and more obscure ones. Without their help it would have been impossible to complete this project.
