"Hospital Hospitality"

Not seldom enough do we give thanks and praise to the care givers in our community, whether it be doctors, nurses, VNA (visiting nurse assoc.) or life-line employees. My grandmother Little (Lola) Mae Taylor, left this world to join her Lord on January 9, 1994. She had suffered a very extended illness & in her last days, was in a coma at Medical Center Hospital. Her nursing care was outstanding & these precious ladies went beyond the call of duty to ensure my grandmother's comfort & provided & expressed unsurmountable compassion & comfort to our family members. Much praise, well deserved is expressed to Sandy Ruvalcaba, R.N., Jackie Fisher, Carol Van Dyke, Dawn Barnes, Melanie Cuhada & Lynn Carrington, along with all the aids & nurses assistants.

Our warmest thanks go to Dr. Doyle who also showed compassion & utilized every medical technology possible to help our dear grandmother. Far dates our family history. My grandfather, Cuvier Albert Taylor (aka., C.A. Taylor) started the first taxi service in Conroe. This dates back to 1939. My grandparents' "log" house once sat where Taco Bell is today. (His phone number was #500)

Maybe you can remember Glenwood Cafe, later called Mrs. Macs' served the best hamburgers in the county & plate lunches that pampered your palate. Bank employees, judges & other county officials frequented this hometown establishment to enjoy the delicious food, maybe even playing a game of shuffleboard or two. Perhaps you even enjoyed the pickled polish sausage or pigs feet tidily resting upon the bar.

Yes, a big part of our heart & heritage still remains in this town. The memories are endless & our love for "Granny" & each other are ageless & neverending.

Pop,
You were our family's foundation of strength, honesty, Christian values, sacrifice, and unconditional love. You gave us a lot to be thankful for. So much of who your wife and children are, we owe to you. No matter where our lives take us, we will always see a reflection of you. You shaped our hearts by passing things down that could only come from you. Over the years, you became a special part of each of us, building a spiritual bond that will guide us forever. You are deeply loved, and will be greatly missed.

The Blackwood Family would like to extend their sincere gratitude to all those friends who supported us during our recent loss. It is comforting to know he will be remembered by so many.

Perhaps you sent a lovely card,
Or sat quietly in a chair;
Perhaps you sent beautiful flowers,
If so, we saw them there.
Perhaps you sent or spoke kind words
As any friend could say;
Perhaps you were not there at all
But just thought of us that day.
Whatever you did to console our hearts,
We thank you so much, whatever the part.

**Birthday Tribute
 IN MEMORY OF T.W. WASHINGTON**

Upon this road many have trod,
 Some left here and some gone home to God.
 We miss you with every passing day,
 Today's a bit harder, because it's your birthday.

If you were with us here and now;
 We'd shower you with gifts and love,
 But we feel you're celebrating better;
 In the heavens above.

No more suffering, no more tears;
 In the day to day life,
 No more misery, pain or strife.

Simply a gentle rest;
 At the close of your fading day,
 Asleep in Jesus with no more dismay.

For that precious unselfish love you gave;
 We'll forever hold you dear to our hearts.
 And of it we will never let go,
 For to us you'll always be our HERO.

WITH LOVE
 ORA WASHINGTON & FAMILY

**IN MEMORY OF
 J.H.L. EDWARDS ANGEL**
 September 27, 1955 - February 26, 1992

Time keeps passing, but the emptiness is there.
 Our hearts have not mended, from the grief that we still share.
 We've suffered so much sorrow and shed so many tears,
 But thank God for all our memories for the time that you were here.
 We are so deeply grieved that you were taken away.
 We wish that we could understand why you had to die that day.
 We'll miss you just as yesterday and we'll on through tomorrow.
 No one can really understand how very deep our sorrow,
 It is a never ending grief which we now must bear.
 Until we breathe our last farewell and can finally meet you "There".
 Even though your family has grown in size, we have only grown apart.
 For the love that we once shared, is no longer in their heart.
 Your children have gone their separate ways, and it burdens our hearts so.
 Because we have wanted nothing more than for all our love to grow.

We miss you and will love you always,
 Missis, Daddy, Dee, Rhonda, Essi, Lisa, & Bubba.

EVERYTHING

The days we'd laugh and cry
 You are everything in our eyes;
 We couldn't love you more.
 Our hearts are torn
 But we know you are in heaven
 with God.
 That's why it's so odd
 When we go to where you stayed -
 All we can do is cry and pray
 That you are out of all your pain
 And there are no more tears like
 rain.
 We know He's taking care and
 loving you
 Because we do, too.
 You'll always be here in our hearts
 Even though you had to part
 Only in body, your soul is forever
 here
 We know that you are near
 So many people loved you
 And we know you loved them too
 You were always sacrificing for us
 Never putting up a fuss
 So, when you look down
 Don't frown
 And please don't cry -
 REMEMBER
 YOU'RE EVERYTHING IN OUR
 EYES!!!!!!

A FALLEN LIMB (One year ago)

A limb has fallen from the
family tree,

I keep hearing a voice that says,
"Grieve not for me".

Remember the best times, the
laughter, the songs, the good life I
lived while I was strong. Continue my
heritage. I'm counting on you.

Keep smiling and surely the sun will
shine through.

My mind is at ease, my soul is at rest,
remembering all how I was truly
blessed. Continue traditions, no
matter how small. Go on with your
life don't just stare at the wall. I miss
you all dearly, so keep up your chin,
until the day comes we're...

TOGETHER AGAIN

From your loving family, We were with
you as you slipped away, Not a day goes
by that we don't think of you and miss you
dearly, You would be proud of our
strengths, togetherness, and the love we
share. Guard over us and keep us safe so
that we may all be reunited again.

Love Helen, your children, Barry, Becky,

Benny Miller

family and friends think of you everyday. You touched so many people in many different ways on your passing through. Now you are in a better place. The family cannot express enough Thanks to the Conroe Fire Department and surrounding area and the Conroe Police Department for their help and kindness that was given, and thank you to all our friends.

Benny, you can never be replaced.

God Bless All,
Faye Miller & Family

And if I go while you're still here, know that I live on. Vibrating to a different measure. Behind a thin veil you cannot see through. You will not see me. So you must have faith. I wait for the time we can soar together again, both aware of each other. Until then live your life to its fullest. And when you need me, first whisper my name in your heart. I will be there.

Who Was Murdered
JUNE 22, 1963 - DEC. 2, 1993

Time keeps passing, but the grief and tears will never end. Today is a bit harder, because it's your birthday. We've suffered so much sorrow and shed so many tears. But thank God for all of our memories and for the time we had you here.

You left part of you with us, Brittany and Ryan. Never a day goes by without them talking about you. We will never let them forget you. We have told them that you are an angel in heaven. In time they will know the truth about how you were taken away. How cruel and unnecessary it was.

We will never stop missing you. You will always be in our hearts and you will always be our angel. We miss you and we will take care of Brittany and Ryan as you would have wanted. We know you are watching over us.

In Loving Memory of
Jeanette Elizabeth Briggs
December 22, 1929 ~ July 11, 1993

Mom, It has been one year since you passed away, but I still think about you all the time. I will be driving down the road and you will pop into my mind, or I will be sitting down at home and look up and see your picture and want to call you, but I realize that I can not do that. So, to try and get through those feelings, I will find someone who will listen, and I tell them all about you, about how you loved the ocean, the monkeys at the zoo, and just about all the little things in life. Besides being my mother, those are just some of the things I loved about you. Mom, I just wanted to say that I will always love you, and I miss you a lot.

In Loving Memory of
Tiffany Michelle Clark
TOUCHED BY GOLD

I was thinking how different life is for me
 And about the things that will never be.
 To watch you grow into that fine young woman
 For me is now not part of the plan.

I realize my life will never be the same
 Even though I always call out your name
 I can't go back to where we were before
 That part of life has closed the door.

I live with tragedy and sorrow, that's true
 But also a great love have I shared with you
 For you've touched my heart as no other could
 And in your memory there will some some good.

For you've left a purpose for your Mom and Dad
 To let others know of the daughter we had
 I want you to know your story will be told
 And others will know I've been touched by gold.

Missing and loving you,
 Your family

He was a farmer, chicken farmer, manager of Conroe Meat Center, owner of the once well-known restaurant, Rustic Farm Smokehouse, and most recently, Rustic Frame Shop. However, after being born again in 1975 he considered his real work here on earth was to lead others to a personal relationship with Jesus Christ. Donations

Poem for the Living

When I am dead
 Pray for me a little.
 Think of me sometimes,
 But not too much.
 It is not good for you
 To allow your thoughts to dwell
 Too long on the dead.
 Think of me now and again
 As I was in life
 At some moment which it is pleasant to recall
 But not for long
 Leave me in peace
 As I shall leave you, too, in peace
 While you live
 Let your thoughts be with the living.
 My Greatest desire in life was
 That you love one another.
 Pray for me.

God saw that he was getting tired

and a cure was not to be

So He put His arm around him and whispered

"Come Home With Me"
With tearful eyes we watched him suffer

and saw him fade away

Although we loved him dearly

We could not make him stay

A golden heart stopped beating

A determined spirit was to rest

God broke our hearts to prove to us

He only takes the best

We would like to thank all our doctors and friends for their love and support.

Mary Patricia Rennicks

Mary Patricia "Pat" Rennicks died on Nov. 11, 1994, at Medical Center Hospital in Conroe, Texas. After a 27-month fight against colon cancer, she lost the battle. Pat was born in Bearden, Ark. on July 1, 1925, to Katharine G. and James F. Rennicks. Pat was a Registered Nurse and a fine one, too, with a B.S. Degree in Nursing plus a Master's Degree in Psychology from Sam Houston University. She graduated in 1946 from John Gaston School of Nursing, University of Tennessee in Memphis. Except for a few years with the Houston Police Department, her work was in her chosen field, Nursing. She worked always in the hospital setting in many hospitals in a number of cities in various specialties. Her medical experience was all-encompassing and over the years she had gained much knowledge. She would have been an asset to the nursing profession had she become a teacher of students entering the nursing field, but she wanted to practice "hands on" nursing so she could help others. Pat was last employed in nursing on a full time basis at the Medical Center Hospital, Conroe, Texas on Two North, where she worked for six years. Pat is preceded in death by her parents, her youngest sister, Rose, and her nephew, David Green. She is survived by her sister, Katharine R. Green of Conroe and sister, Frances Miller and her husband, Herman Miller of Kirby, Ark. Other survivors are her nephews, Mark Green and his family of

Houston, her sole surviving aunt, Addie Stinnett of North Little Rock, Ark., plus numerous cousins and her cat, Footsie. Pat will be remembered as a good-hearted person and most of all a highly capable, skilled and caring nurse. Any of her friends and former co-workers wishing to contact the family to offer condolences may do so through Kay Green, 10435 Royal Magnolia, Conroe, Texas 77303 at (409) 856-6586. Pat Rennicks will be cremated and no services are being held.

In Loving Memory of

*A Year Has Past
...Think God For The Life*

*Our Fisherman has drawn in his final net.
The time has come to take your rest.*

*Sooner we too will be done
with the troubles of this world.
There will be no more heartaches,
pain, burdens or sorrows to bear.*

*We had to bid farewell to one so dear,
it seems like only a few months
Not a whole year.*

*God makes no mistake
We must follow his plan,
Although times come
When we don't understand.*

*As time goes on
We will grow strong.*

*For the pleasant memories
We thank God,
That we can hold them
dear to our hearts.*

*Remembering he is
our refuge and strength
He'll lift our bowed down heads
and ease our aching hearts,
continue in rest dearest one
As we continue in God*
