

Cemetery Tool Kit

Here are some suggestions for tools you might need when transcribing a cemetery:

1. Soft Brush - natural or nylon bristles, **Not Wire**
2. Water – **No Bleach**
3. Wooden or plastic scraper, when needed for tough lichen.
4. Aluminum foil or a window shade you use on your auto
5. Pruning shears
6. Heavy work gloves
7. Mirror
8. Plastic Bucket
9. Pencil & Paper
10. Digital Camera &/or Camera & Film
11. Video Recorder
12. Tape Recorder
13. Umbrella
14. Hat
15. Boots
16. Bug Spray

See *Preserving Historic Cemeteries* for the proper methods to clean stones.
