CONROE COMMUNITY CEMETERY RESTORATION PROJECT

OUR GOALS

At Conroe Community Cemetery Restoration Project (CCCRP), our goals are to clean and to restore the Conroe Community Cemetery (CCC) as well as mark unknown graves, to preserve the cemetery for future generations including giving it a name and erecting a sign so others will know of its existence, and to obtain a Texas Historical Cemetery designation. We also seek to unite the families and their stories with those that are buried in CCC and to add names to those who are currently not known. Our cleanups that began in 2019 and our restoration efforts have revealed several new stones not enumerated in the Wrights 1978 transcription of the CCC by MCG&HS like **Mack Ashley and Margarett Stewart**. After many hours of documented genealogical research found that the **Edwin Harny** transcribed, is more likely to be **Edward Harvey**, who has a strong family connection to other family members who are buried in Conroe Community Cemetery. We still have several stones that have not been located — **Edwin Harvey, Mrs. Ella Colbert, Steve Gemight, Lucy Green, and Emma Somerville**. If you have any knowledge of their location in the cemetery or of the other UNKNOWNS, please contact us at cccrp.org@gmail.com

WE NEED YOUR HELP!

We have made great strides, but CCCRP still has much more to accomplish. We need your support with your time to clean, maintain and mow; money to help with headstone repair, unknown markers, supplies for clean ups; and/or membership CCCRP by becoming a committee member to ensure our efforts move forward. Every donation small or large is welcome and will continue to help the effort grow.

PLEASE JOIN, RENEW, VOLUNTEER AND/OR DONATE TO CCCRP!

If you have any questions, we would be happy to provide you with more information about how you can help support our work at CCCRP. Feel free to contact us at cccrp.org, cccrp.org@gmail.com or on Facebook <https://www.facebook.com/cccrp> where you can follow the progress of our cleanup and restoration efforts.

By your donation of time, money and/or membership, we're one step closer to uncovering the lost history of this cemetery and their lives of those buried there.
