Danville - Shepard Hill Cemetery

Montgomery Co., TX

This cemetery is located one mile west of I-45 on Shepard Hill Rd. There are three separate gates, each with a different name. From what we have learned, this is all one cemetery - one section is Protestant, one is Catholic and one is Black. This is a listing of the Black section of the cemetery, which is entered by the far west gate. I have kept notes and have some pictures if anyone needs more information about a specific grave they can email us at sherri@rootsremembered.com If anyone has information about any of the unmarked graves we would love to hear from them. It appears that there has been some vandalism at this cemetery in the past. Some tombstones are lying on the ground and some are broken.
