## TYLER COUNTY, TEXAS BLACK CEMETERIES

The following list contains the names of all the known Black cemeteries located in Tyler County, Texas. In addition, a few cemeteries located outside of the county are included because of the relationship many families in Tyler County have with those buried there.

We would like to express our appreciation to the following individuals for helping us with this project. Without assistance, we would have never located some of the more obscure cemeteries, nor obtained the names of many who are buried in unmarked graves.

Frank and Frankie D Kindle	Warren, Texas
Luther and Lucy Moye	Warren, Texas
Katherine Deason	Colmesneil, Texas
Henry Thomas Deason	Colmesneil, Texas
Dorothy Jean Gilder	Colmesneil, Texas
Helen Gilder	Colmesneil, Texas
T.H. (Junior) Wilks	Warren, Texas
Herman Collins	Camden, Texas
Maggie Foster	Hillister, Texas
A.M. Davis	Woodville, Texas

The following list of cemeteries includes directions to the exact location as specific as we could make them. Also included is a map of Tyler County with each cemetery numbered.
