TYLER COUNTY, TEXAS CEMETERIES

The following list contains the names of the cemeteries which comprise the basis for this book. Included are all Tyler County cemeteries known to us as well as several located in adjacent counties, which were incorporated because of the close ties many Tyler County families have with those buried there.

Deep appreciation is expressed to those individuals listed below for their considerable assistance in locating cemeteries, especially some of the older and more obscure ones. Without their help it would have been impossible to complete this project.

Ray Barnes	Mary Hale	Lockey L. Hicks
Clara Gallier	Bill Stewart	R.A. Jernigan
Frank & Frankie D. Kindle	Johnny Baker	Dottie Johnson
Harley & Martha Gandy	Vann Baker	Robert Parks

Toward the back of the book is a list of single and abandoned graves as well as a census of Big Sandy, Davis, Nowlin and Pullen Cemeteries located in Polk County, Texas and the Cunningham Cemetery located in Hardin County.

Directions, as specific as possible, are provided to each cemetery. Where special transportation and guides are necessary, this is also noted. Because many of the old cemeteries are located on private property, care should be exercised to obtain permission from the owners before visiting them.

The gravestones as listed in this book are not necessarily in the order of their location in the cemetery.
