Note 1:	Information inside () and most of the information in columns D, E, & F has been provided from my records.									
Note 2:	I have approximately 500 pictures of headstones saved on CD. Please contact me, if you are interested in a copy of a particular headstone.									
Note 3:	Cemetery Plaque:	In the year of our Lord 1988 on this day May 7, Ernest Daniel Bianco & Ruby Lang Bianco lovingly donate this 3.77 acres of land to Morgan Cemetery, in memory of their daughter, Sonya Danell Bianco and her grandmother Bertha Morgan Bianco who's father donated the original land for Morgan Cemetery.								
Note 4:	Baby Page	Marker reads, "This marker is a dedication to the founders of this cemetery. This grave site was selected by Louis Collins in 1887 as the resting place for this little girl Baby Page who died while her family was traveling thru this community. It is believed to be the first grave in Morgan Cemetery.								
Note 5:	I have done my best to accurately transcribe the headstones and proof my typing. Please do not hesitate to contact me with corrections or additional information. This project is ongoing and is far from complete.									
Note 6:	Fannie Marilla McShan - Headstone says Fannie Marilla McShan; funeral home plaque at the foot of her grave says Fannie M. Anthony, 1901-1982. She is buried next to John McShan.									
Note 7:	(Div) Divorced									
Note 8:	Cemetery History:	Established about 1887 with the burial of Baby Page. In 1902, H.H. & Mary Morgan donated 1 1/2 acres of land for the cemetery. In 1952, Mary L. Morgan Davis sold 1/2 acre to enlarge the cemetery. Other Morgan's have donated land as well as Charles Joekel who donated 2 acres in memory of his grandfather, A.V. (Bud) Faulkner. The cemetery was originally known as White Oak Cemetery. The name change to Morgan Cemetery occurred sometime between the 1930's and early 1940's but when is not exactly known. (Researchers should be aware that there is currently a White Oak Cemetery, formerly Oakley Cemetery, in Porter, Texas, established about 1905.)
