## Preface

It is with grateful and heartfelt thanks that we, the Montgomery County Genealogical & Historical Society, Inc. wish to dedicate this Volume #3, and forthcoming volumes of Montgomery County cemeteries to:

Oveta and Horace Wright, two of our hardest working members, who have cataloged close to 100 Montgomery County cemeteries and graves and are still working toward a goal of doing all that they can locate.

Explanation for this volume:

Volume three contains only two cemeteries: Oakwood and Conroe Memorial Park. Each one is too large to have been included in Volume one or Volume two, and was a challenge for Oveta and Horace Wright to catalog.

Both cemeteries are located in the Conroe area, where much interest has been shown.

Oakwood would be considered on the north side of Conroe, whereas, Conroe Memorial Park would be on the south side.
